

Room Care R10-plus Pur-Eco

Neutral floor cleaner – concentrate

Description

Concentrated neutral low foam cleaner for the daily cleaning of water-resistant hard floors. To be used only with Divermite/DQFM dosing and dilution system. Also available in fully recyclable mono-material pouch.

Key properties

- pH-neutral
- Leaves no residues on the floor
- Low foaming
- Light, delicate and fresh fragrance
- Uses unique and environmental friendly pouch technology
- Fulfills the criteria of the EU-Ecolabel scheme

Benefits

- Effective and safe formula to use
- Suitable for all types of water resistant floors
- Leaves floors dirt and grease free
- Dries quickly without streaking
- Suitable to be used with scrubber drier machine
- Color and alphanumeric coded to prevent application mistakes

Use instructions

Machine / Bucket / Spray bottle:

Dose Room Care R10-plus Pur-Eco into the full water tank of a scrubber drier and/or a bucket or when using DQFM dispenser unit, fill tank/bucket directly from dispenser.

Clean large areas with scrubber drier machine and/or with mop.

Cleaning solution can be sprayed to pre-treat difficult stains/dirt before cleaning the surface.

Dosage*

When using with Divermite Room Care dosing unit, dose per 4 litre of water 1 x 15ml (0.4%) of Room Care R10-plus Pur-Eco into the dispenser ladle and pour ladle’s content into cold water.

Increase concentration up to 1% (1x 15ml into the dispenser ladle per 1.5 litre of water) to remove heavy soil or to pre-treat stains dose 1% (1x 15ml) into the keyed bottle filled with 300ml of cold water.

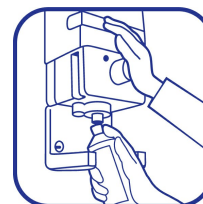

When using with DQFM dilution dispenser unit, fill the bucket or machine tank directly from the dispenser.

Proper dosage saves costs and minimises environmental impact.

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*
