TASKI® Tapi Stain Remover 2

Carpet stain remover

Description

Water based spot remover for the removal of most common stains from any type of carpet or upholstery. Particularly effective to remove water based stains such as juices, coffee, tea, ketchup, wine or blood.

Key properties

- Unique formula for the removal of all common spot and stains
- Effective blend of surfactants
- Convenient ready to use trigger spray
- Unique, patented Odour Neutralizing Technology (O.N.T.)

Benefits

- No need of complicated stain removal kits – a very simple solution for most type of stains
- Particularly effective on water based stains and spots
- Easy to handle and use for both emergencies and pre treatment
- The O.N.T. technology destroys malodour molecules and therefore enhances the fresh apple fragrance
- Safe to use on any carpet types including wool

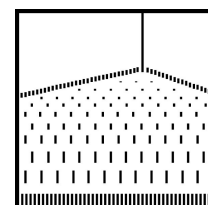

Use instructions

1. Dry vacuum clean the spot/stain.
2. Remove any solid particles by gently scraping the carpet surface with a non scratching utensil.
3. Spray product directly to the soiled area.
4. Leave to act 30 seconds if necessary and blot the treated area with a clean cloth/ sponge from the outside to the centre of the spot to prevent spreading.
5. Blot (do not rub) with an absorbent cloth or tissue.
6. Repeat if necessary.
7. Rinse and leave to dry.
8. To treat large stains/spot, preferably use the rinse method.

Dosage*

Ready to use, no dilution required.

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*

TASKI[®] Tapi Stain Remover 2

Technical data

Appearance:	Milky white liquid
Odour:	Fresh apple fragrance
pH value (neat):	≈ 8
Relative density (g/cm ³ ; 20°C):	≈ 1.00

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; sds.diversey.com. Store in original closed containers away from extremes of temperature. Only for professional users / specialists.

Product compatibility

Always check the colour fastness and material compatibility with a test in an inconspicuous spot. Colourfastness occurs within a 24-hour period. It is therefore recommended to carry out the pre-test one day before the total treatment of the carpet/rugs.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirements of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.

Approvals

TASKI Tapi Stain Remover 2 has been tested according to WS 1001 standards and obtained WoolSafe certification.
